Decision Making and Oversight

Governance, strategy and oversight of the life of our church community is provided by the elected and co-opted members of the Parochial Church Council (PCC). This meets on the following dates at 7.30pm in church:

PCC Away Day—Saturday May 15th 2010

PCC Meeting—Wednesday July 7th 2010

Life Together

A church community only works when every person who is part of the community is exercising their God given gifts in serving each other and building up our life together as we seek to glorify God, build each other up and go out to seek the Kingdom of God and tell others of the good news about Jesus.

If you would like to think more about how you can get involved with the life of our church community and how the church community can support you in your everyday ministry please speak to Karen Skidmore.
