

# Christ Church Pitsmoor Strategy Tree 2007-2012

## PURPOSE

Christ Church is a local church *offering* worship and glory to God and *serving* all people in Pitsmoor.

## VISION

A Christian community where people of all nations are becoming disciples of Jesus (key text : Revelation 7: 9)

## MISSION

To enable all people to grow three-dimensional relationships – with God, with others in Christ Church, with the wider community and the world.

## AIMS

### *Theological Framework*

*We believe people are most likely to become disciples of Jesus through a local church where the grace of God is experienced in community, the love of God is shown in service of others and the word of God is clearly communicated such that individuals and communities are transformed.*

**1.** We will cultivate creative ways of expressing community focussed on deepening our relationship with Jesus

**2.** We will cultivate cross-cultural relationships

**3.** We will cultivate cross-generational relationships

**4.** We will develop our staff team, buildings and leadership capacity

### *Christ Church Values*
